Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Friday 23 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and sunny for most, hot in the west.

Today:
Low cloud burning back to the coasts in the east, giving a dry sunny day for most, cloudier across Northern Isles. A few isolated heavy afternoon showers are possible in the west. Warm in the east, hot in the west.

Tonight:
Mild, locally warm along the northwest coast. Largely clear in the west. Low cloud spreads inland in the east. Mostly dry, perhaps some patchy light drizzle along the east coast.

Saturday:
Dry with low cloud in the east burning back to the coasts, but persisting across the Northern Isles. Warm again, especially in the west, but cooler along the east coast.

Outlook for Sunday to Tuesday:
Mostly dry warm and sunny Sunday, overnight low cloud burning back to the east coast in the mornings. Cloudier with showery rain on Monday and Tuesday, heavy at times.
